

Have fun learning and playing  
with your preschooler!

**First, watch  
this week's  
video!**

### Bible Story

Hagar  
(Genesis 21:14-20)

### Remember This

"God is with you  
wherever you go."  
Joshua 1:9, NLT

### Say This

Who's got it?  
God's got it.

## Activity

### Tea Party

#### What You Need

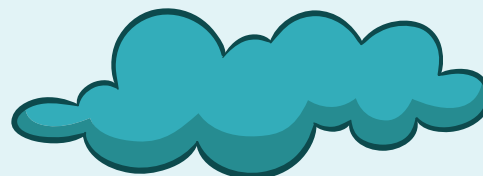

Preschool-safe tea set OR preschool-safe cups and pitcher and a large blanket

#### What You Do

"I'm thirsty! Let's have a tea party! Please, sit on my blanket so we can have some tea! (*Do activity.*)

"That was really good tea! It's nice to have a drink when you're thirsty isn't it? In our Bible story, we heard about someone who was very hot and really thirsty.

"Hagar and her son were so thirsty in the hot, dry desert. God heard Hagar's son cry and sent an angel to show Hagar where there was water. God protected Hagar and her son from thirst. He heard Hagar and her son, and He gave them the water they needed. God will hear you and give you what you need, too. God is always with you, and no matter what happens, God's got it! **Who's got it? God's got it!**"

## Prayer

"Dear God, You know everything we need because You are always with us. Thank You for loving us and giving us what we need. Help us trust that You know what is best and You have the power to give us what we need. We love You, God. In Jesus' name, amen."

# October 2020, Week 3 Preschool and Kindergarten Activities

**Today's Bible Story:** God hears me and gives me what I need.

Hagar • *Genesis 21:14-20*

**Memory Verse:** "God is with you wherever you go." Joshua 1:9, NLT

**Key Question:** Who's got it?

**Bottom Line:** God's got it.

**Basic Truth:** God loves me.

## 1. Obstacle Course

**What You Need:** Plastic cones, a tunnel, and floor tape ( if you don't have cones or a tunnel use whatever you have in the house)

### What You Do:

*Before the Activity:* Use the supplies provided to create a fun obstacle course in your activity area. You can place the plastic cones in a row for them to zig zag around. You can lay the tunnel on the floor for your child to crawl through. You can use the tape to create zig zag or curving lines for them to follow.

*During the Activity* Walk through the course once to explain each obstacle to your family. Then, one at a time, let your family walk through the course to get to the end!

### What You Say:

*Before the Activity:* "I have something SUPER fun for us today. It's an obstacle course. Let me show you what to do!"

*After the Activity:* "You did a GREAT job. That was so fun! This is a great reminder that no matter where we go, God is WITH us! He hears us and helps us, because He loves us. No problem is too big for God! **Who's got it? [Bottom Line] God's got it.**"

## 2. Hagar color sheet

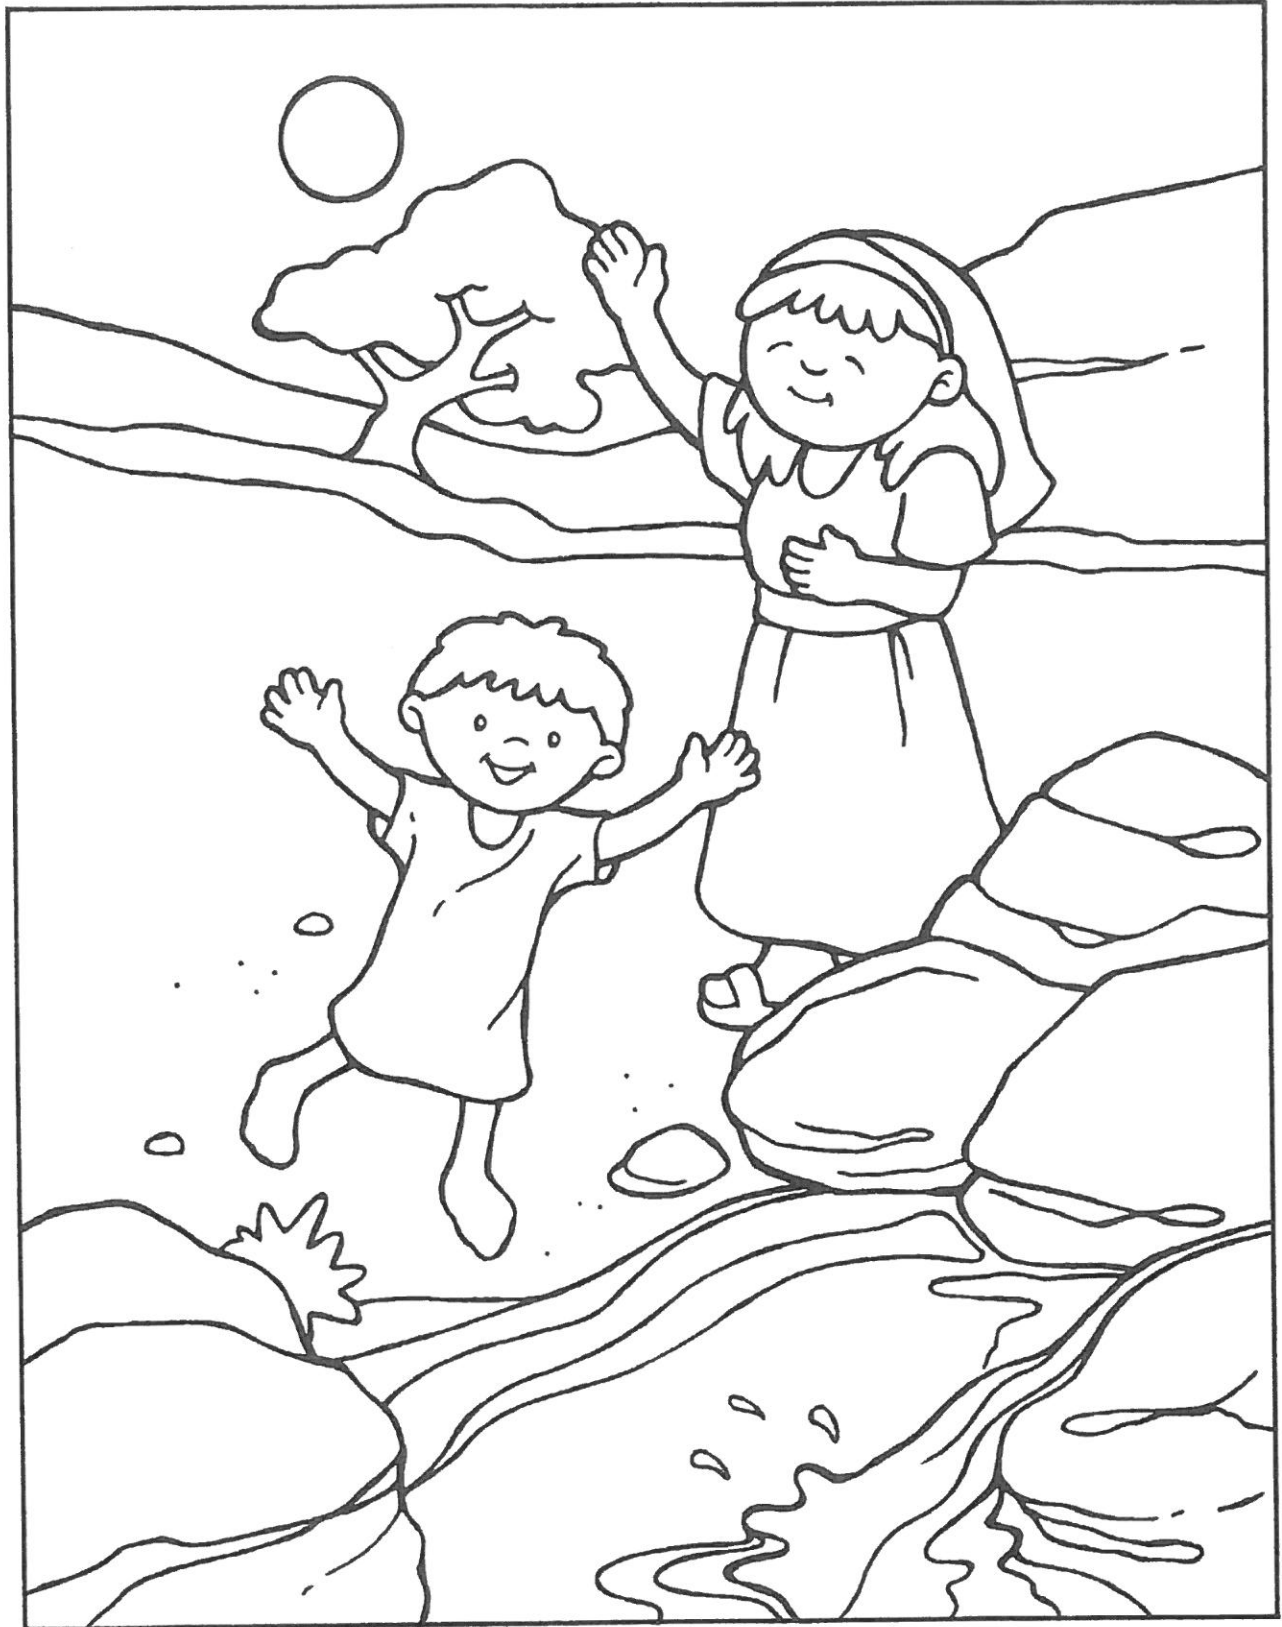

**What You Need:** Color sheet, sand (dirt), blue tissue, marker, crayons, glue sticks, white glue, q-tip

**What You Do:** Give your child a color sheet. Put white glue on the part of the picture that looks like land and then have the children spread it out with the q-tip. Help them sprinkle sand (dirt) over the glue. Next have them use gluesticks to put blue tissue on the part of the picture that looks like water (if you don't have tissue paper have your child color the water blue). Then they can finish coloring the picture.

**What You Say:** "In our Bible story today we learned about when Hagar and her son were walking through the hot desert. Do you see the part of the picture that looks like the desert? Let's put some sand on that area. Hagar and her son were super thirsty but didn't have any water and started crying. God heard their cries and sent an angel from heaven and said, 'Do not be afraid. God will take care of your son.' When Hagar opened her eyes, she saw a well of water! Let's glue some blue tissue paper to the water. Now you can color the rest of the picture. God heard Hagar's prayer, and He hears ours, too. God will always give us what we need because He loves us. So tell me, **who's got it? [Bottom Line] God's got it.**"

# Hagar

Genesis 21:14-20

Water Needed • Water • September Week 4  
Copy onto white cardstock. One per child.
