2019 Generosity OPPORTUNITIES

"He is a Light to reveal God to the nations."
Luke 2:32

Christmas is about God bringing light to all the peoples of the earth through Jesus. God has given us the incredible opportunity and responsibility to share that light with all nations and all peoples - locally and globally!

During this Christmas season we've identified several specific projects that align with our Light to the Nations vision. That vision is to generously give of our resources to share the message of the gospel throughout the world.

As we come to the end of 2019, be part of what God is doing and help us finish the year strong! Prayerfully consider how God is calling you to sacrificially give to meet the needs of our Ministry Fund and to see these new projects become a reality. Thank you for making a difference!
